Customer hereby grants to Supplier a limited, non-exclusive, royalty-free, worldwide license to use the Customer Data and perform all acts with respect to the Customer Data as may be necessary for Supplier to provide the Software and Services and any services available to Customer via the Marketplace or Virtual Rooms, and a non-exclusive, perpetual, irrevocable, worldwide, royalty-free, fully paid license to use, reproduce, modify and distribute the Other Information as a part of the Aggregated Statistics (as defined in Section 12.3 below). If the foregoing assignment and license are not enforceable, Customer agrees to

The foregoing appointment is deemed a power coupled with an interest and is irrevocable.

12.6 License to Deliverables. Subject to Customer's compliance with this Agreement, Supplier hereby grants Customer a limited, non-exclusive, non-transferable license during the License Term to use the Deliverables solely in connection with Customer's authorized use of the Software.
